- (b) For a submission to be considered complete, **ALL** sections of the 2018 SEPA template, inclusive of all excel spreadsheet fields, must be fully completed. A fully completed template must have all tabs i.e Tab 1 and Tab 2 and all the fields completed. applicant). Failure to provide these supporting documents will render the 2018 SEPA submission incomplete. This requirement is also applicable to any resubmission made.

- (e) Only the applicant as recorded on the DoP of 22<sup>nd</sup> December 2017 for the medicine as per the MCC manufacturing license and MCC medicines registration certificate must lodge the submission for the medicine(s) concerned. ## 2.3 NOTES FOR APPLICANTS

- (a) The 2018 SEPA is not obligatory. Applicants must note that they are not compelled to compile and lodge 2018 SEPA submissions.
- (b) The 2018 SEPA concerns SEPs that are applicable as on 22<sup>nd</sup> December 2017, regardless of how these SEPs were arrived at. This includes approved SEP's following a submission of a Non-Permanent SEP reduction. These non-permanent SEP's shall be regarded as permanent at the point of lodging the 2018 SEPA submission. In terms of the medicines pricing regulations, there shall only be one SEP at any given time. The schedule of 22<sup>nd</sup> December 2017 is found on [www.mpr.gov.za](http://www.mpr.gov.za) under "Published Documents", click database of medicine prices. Click on the excel spreadsheet titled "database of medicine prices 22<sup>nd</sup> December 2017".
- (c) There can only be one SEP submission launched at any given point in time. The applicant must not request for an update on the SEP or lodge a Regulation 9 application, whilst the submission for SEPA is still in process. Similarly, the applicant cannot submit a SEPA or Regulation 9 application whilst the submission for an SEP update is still in process. In an event where the applicant has made a SEPA submission and any other SEP submissions and/or a Regulation 9 application the SEPA will not be considered. Should the applicant wish to re-submit, a new submission may be made once the other outstanding SEP submissions and/or Regulation 9 applications have been concluded.
- (d) Each submission should include all the applicant's scheduled medicines, including discontinued medicines. Discontinued medicines should be indicated as such, as per the DoP under the status column. SEPA will not be allowed on officially declared discontinued medicines. **The row order of all the applicant's medicines, as they appear on the DoP of 22<sup>nd</sup> December 2017 must be maintained.** Any medicines not

appearing on the 22<sup>nd</sup> December 2017 list should appear at the bottom of the 2018 SEPA template in an alphabetical order.

- (e) All medicines presented on the template for 2018 SEPA **must** be unit priced. When computing the unit prices, the resulting SEPs should not exceed the maximum allowable SEP after the adjustment on the SEP that existed on 22<sup>nd</sup> December 2017 (i.e. SEP applicable as of 22<sup>nd</sup> December 2017 + maximum allowable SEPA % as per the notice).
- (f) All medicines including those with multiple pack sizes are required by law to be unit priced i.e. all same ingredient and dosage form medicines with related pack sizes must have the same unit price. Non-compliance with unit pricing will result in the entire submission not being considered.
- (g) Where a new pack size is introduced after 22<sup>nd</sup> December 2017, it is expected that this will result in a unit price that is no greater than the unit price that existed on pack sizes on 22<sup>nd</sup> December 2017. (Note that the newly launched medicines and/or pack sizes should be included in the portfolio of medicines in the submission for SEPA and should also be unit priced with their related pack sizes).
- (h) All submissions for SEPA will be processed within 32 working days (excluding weekends and holidays) upon receipt of the submission by the PEE Directorate of the Department.
- (i) The outcome of each processed submission will be communicated to the applicant within 32 working days of the date of your submission. Applicants must take note of this time frame prior to following up on a submission status.
- (j) All processed SEPs will be communicated to price file managers and published on the website ([www.mpr.gov.za](http://www.mpr.gov.za)) by the PEE Directorate.
- (k) All correspondence(s) concerning a submission will only be communicated to the applicant of the medicines applied for.
- (l) The electronic version of the submitted 2018 SEPA template (Annexure D) must be in excel. The SEPA template must not be password-protected or in a version that the PEE Directorate is unable to access. 2018 SEPA can only be **submitted** on the published latest SEPA template for 2018 including both Tab 1 and 2. **ANY** modification to the template will result in the entire submission not being considered. This also applies to resubmissions.
- (m) The final dates for all 2018 SEPA submissions and resubmissions will be the dates determined as per the Minister's notice.
- (n) An applicant may only submit once in the 2018 SEPA cycle. This does not apply to resubmissions (see point (o) below)

- (i) Where no adjustment is requested, the existing SEP will be applicable for the 2018 SEPA cycle. The SEPA cycle is the period between two consecutive SEPA announcements by the Minister of Health. The applicant may not at a later stage resubmit a different SEPA request for the same medicine. The submission of a SEPA and the approval thereof for the 2018 cycle implies any non permanent reduction is concluded.
  - (ii) An applicant's portfolio may not be divided into multiple submissions.
  - (iii) The maximum allowable adjustment may not be divided into multiple submissions. Should an applicant request less than the maximum published adjustment, the balance will be forfeited for the 2018 cycle.
- (o) Resubmissions;
- i. Will only be reviewed for medicines who's SEPs were previously not adjusted in terms of the 2018 SEPA quantum, as a result of discrepancies identified in the first submission
  - ii. All the requirements for the SEP submissions as stated in this document shall be applicable to resubmissions.
  - iii. **MUST** contain **ALL** medicines listed in the Not-Approved sheet of Annexure E communicated to the applicant in response to the initial submission.
  - iv. A resubmission of the not-approved items may not be split into multiple resubmissions.
  - v. Must only be on the 2018 SEPA template.
  - vi. Must be submitted by the close off date as specified by the Minister of Health and reflected in the SEPA notice.
